

Frank B. Spann

frank.spann@cyberspann.com

Mr. Spann has worked for the past twenty-one years as an instructor, trainer and facilitator in the field of human resource development. He holds a BS Degree in Business Administration from Erskine College. His post graduate studies include facilitation training/certification in Teamwork/Team Building, Meeting Effectiveness, Train the Trainer, Personal DISCernment Inventory, Total Quality Management, Paradigm Prism Workshops, and Customer Satisfaction.

In addition to his work as trainer and consultant with Spann and Associates, Inc., Mr. Spann is President and Chief Executive Officer of The DeMint Group, Inc., a South Carolina-based firm with a twenty year-old reputation as being a leader in the fields of Team Development, Market Research and Community Health Planning/Leadership. The DeMint Group was founded by U. S. Senator James DeMint. Prior to his accomplishments at The DeMint Group, Mr. Spann had fifteen years experience with Monsanto Company in business development, market research and planning.

Mr. Spann's professional and community activities include:

- Board of Directors, Better Business Bureau of the Upstate (Chairman Emeritus)
- Board of Directors, Cancer Society of Greenville County
- Quality Initiative Director, Greenville Chamber of Commerce
- Council of Advisors, Greenville Technical College Marketing
- Council of Advisors, North Greenville College
- Speaker, BellSouth Success Series
